John 1:1-18

In the beginning was the Word, and the Word was with God, and the Word was God. ² He was in the beginning with God. ³ All things were made through him, and without him was not any thing made that was made. ⁴ In him was life, and the life was the light of men. ⁵ The light shines in the darkness, and the darkness has not overcome it.

⁶ There was a man sent from God, whose name was John. ⁷ He came as a witness, to bear witness about the light, that all might believe through him. ⁸ He was not the light, but came to bear witness about the light.

⁹ The true light, which gives light to everyone, was coming into the world. ¹⁰ He was in the world, and the world was made through him, yet the world did not know him. ¹¹ He came to his own, and his own people did not receive him. ¹² But to all who did receive him, who believed in his name, he gave the right to become children of God, ¹³ who were born, not of blood nor of the will of the flesh nor of the will of man, but of God.

¹⁴ And the Word became flesh and dwelt among us, and we have seen his glory, glory as of the only Son from the Father, full of grace and truth. ¹⁵ (John bore witness about him, and cried out, "This was he of whom I said, 'He who comes after me ranks before me, because he was before me.'") ¹⁶ For from his fullness we have all received, grace upon grace. ¹⁷ For the law was given through Moses; grace and truth came through Jesus Christ. ¹⁸ No one has ever seen God; the only God, who is at the Father's side, he has made him known.

A Story for You

MAIN IDEAS

- God desires to save sinners through what Jesus has done on the cross.
- All people respond to Jesus, either in belief resulting in eternal life, or unbelief resulting in condemnation.
- God has written all people into the story of the Bible—it has a personal message for each of us.

SCRIPTURE

1) Luke 23:32-33, 39-43

2) John 3:16-18a, 36

3) Romans 3:23

THE NEXT PAGE

Read John 3:16-18a and 36, written in your notebook section. How many responses are there to Jesus? What does God promise will be the result of each response? Use the two boxes on the next page to write the answers to these two questions.

Are you believing in Jesus right now? Who do you believe Jesus is? Are you depending on Him to forgive all of your sins and make you right with God? Do you believe with all your heart that He will give you eternal life in heaven? Do you feel at peace with God, or do you feel as if He is angry at you? Read 2 Corinthians 5:20-21 and 6:1-2. Is today the day of your salvation?

For God so loved the world that whoever believes in him should not perish but have eternal life. ¹⁷For God did not send his Son into the world to condemn the world, but in order that the world might be saved through him.

¹⁸Whoever believes in him is not condemned, but whoever does not believe is condemned already.

³⁶Whoever believes in the Son has eternal life; whoever does not obey the Son shall not see life, but the wrath of God remains on him.

IN THE BEGINNING... JESUS

What is a mystery? A mystery is something that is not fully known or explained. Some stories are mysteries. Suppose a boy walks into his room and finds his best baseball glove missing and a note in its place. The note is a clue. It says, "You will find your glove when you solve this riddle: Up above and down below, sometimes fast but most times slow." Where is the glove? How will the boy solve the mystery? Will he find more clues? You would need to read the story, from beginning to end, to find out.

Did you know that there is a true story about a mystery that was kept secret for a long, long time?

It includes many things usually found in mystery stories—a main character, the scene of a crime, clues, and suspense—but this mystery is different from any other story. Why? Because it is God's story, the Bible!

In this study, you will learn about a great mystery recorded in the Bible. It is a mystery that was kept secret and not fully understood for many years, but now it has been revealed. The mystery has been solved, and God wants to show you the solution. Why is this mystery so important for you to understand? You will find out as you go to class, use this workbook, and study at home with your parents.

After each lesson, you will record clues in this workbook. Be sure to complete every page. If you miss a lesson, ask your teacher to help you fill in the clues you missed. Every single clue is important to solve this mystery.
