A Study for Children on the Names and Character of God by Sally Michael

Truth78 is a vision-oriented ministry for the next generations—that they may know, honor, and treasure God, setting their hope in Christ alone, so that they will live as faithful disciples for the glory of God.

Our mission is to nurture the faith of the next generations by equipping the church and home with resources and training that instruct the mind, engage the heart, and influence the will through proclaiming the whole counsel of God.

We equip churches and parents by producing curriculum for Sunday School, Midweek Bible, Intergenerational, Youth, and Backyard Bible Club settings; vision-casting and training resources (many available free on our website) for both the church and the home; materials and training to help parents in their role in discipling children; and the Fighter Verses Bible memory program to encourage the lifelong practice and love of Bible memory.
